This booking confirmation is subject to compliance with Maersk policy on shipments to Russia (available on [maersk.com](https://www.maersk.com)) and UN, EU and US sanction and export control laws, including US and EU sanctions laws applicable to Russia (Sanctions). By proceeding, shipper represents that this booking in no way is in violation of Maersk policy on shipments to Russia, that the shipment does not involve, nor shall it involve, in either context directly or indirectly, in any way any entity or person subject to Sanctions, including any entity or person subject to Sanctions relating to Russia and that this booking does not involve any items prohibited by Sanctions for import to Russia. If this shipment is in violation of Maersk policy on shipments to Russia, any entity or person involved in this booking is an entity or person subject to Sanctions or any items in this booking are prohibited for import to Russia by Sanctions, the shipment will be returned to origin without exception, and shipper is responsible for all cost and risk for such return. Shipper agrees that Carrier may withhold release of cargo pending investigation to determine if the booking is in violation of Sanctions.

"Weight provided at time of booking by customer is solely at their discretion and any penalty that may arise due to container being over-weight at origin or destination will be charged to shipper and carrier will not be held liable"

All obligations of the Carrier in relation to the Carriage, including loading a container and issuing a bill of lading, are subject at all times to all parties under the definition of Merchant being acceptable to the Carrier. The Merchant shall be liable for and indemnify the Carrier against all claims, liabilities, losses, damages, costs, delays, attorney fees and/or expenses, and additional Freight incurred as a result of the Merchant nominating a party not acceptable to the Carrier.

Whether or not a party is acceptable to the Carrier can be verified on <https://www.maersk.com/portaluser/account/customer-search>
