***** COVID-19 REMARK *****

In order to avoid release issues due to the COVID-19 pandemic we strongly recommend to (A) switch your shipments to a sea waybill wherever legally and commercially acceptable or (B) your documents distributed at destination. In case of issuance of an original bill of lading, Shipper/Booking Party are herewith requested to make a color scan copy of all OBL pages - once duly endorsed - and store them for the duration of the crisis before sending the OBL to bank/consignee /notify.

Shipper's responsibility to ensure compliance to IMDG CODE for transport of DG cargo and also to adhere to IMO GUIDELINES FOR PACKING OF CARGO TRANSPORT UNITS for the transport of all cargo, including DG cargo.

The containers must only be gated into the terminal after the receipt of the Booking Confirmation stating the acceptance of the cargo. In case of non-compliance any cost of removing the container from the terminal is for the account of the customer.

As per Custom rule 2012, All the WBOC users have to checked the unit status before obtain container from empty depots whether unit is free for use or otherwise. Carrier will not be held responsible if GD hold unit pick up by the shipper.

Legal Terms

All dates/times are best reasonable estimates and may change. The booking confirmation is subject to sealing of container with high security seals by shipper. Container stowage on vessel is in Carrier's discretion. Carrier operates under its Bill of Lading/Sea Waybill terms and conditions to be provided upon request or displayed in any of Carrier's/its agent's offices or under www.hapag-loyd.com, containing liability limitations deviating from German law. As to VGM, CL 12.2 applies and shipper agrees that submission of VGM by third parties on his behalf shall be deemed authorized if such message shows: Match of container and shipment number, name of responsible party (shipper) and person authorized by shipper. Carrier may ask for further information due to country requirements and relies in the correctness of the transmitted data. Carrier will not verify authorization or VGM. Shipper shall monitor its VGM on www.hapag-loyd.com/en/my_shipments.html and shall notify Carrier promptly if VGM is not correct.
